MAKE IT A HOT NIGHT OF MUSIC AND LAUGHS! HORMONAL IMBALANCE! COMES TO PEABODY AUDITORIUM

Daytona Beach, February 11, 2009...Grab all your girlfriends, sisters, moms, and daughters, and connect with your inner diva February 25th at 7:30 p.m. at *Hormonal Imbalance!*, the mood-swinging musical revue that captures the spirit of women and their men, careers, and retail therapy with hysterical candor and pure delight!

Start with four richly gifted singer-songwriters, add $\frac{3}{4}$ cup married life, four kids, four-part harmony vocals, one piano, four guitars, one Rockin' Purple Bass, a dollop of sharp social commentary, cheerleading pom poms, a pinch of PMS, a wardrobe of bling-bling, and you've got an Estrogen-fueled hilarious new show that celebrates the best of Babes, Boys, and Botox.

“Together they tell humorously observant tales of modern urban life, and harmonize like a heavenly chorus,” praises the *Chicago Tribune*.

After seventeen years as a traveling pajama party, seven recordings, and one full length concert DVD, this Fabulous Female Folkestra of indestructible Divas are hotter than ever. Always witty and charming, the Babes welcome in a new era with a new cast and a new musical revue that is one-part comedy road show and one-part celebration of hearth and home.

With sorority sister chemistry, these ladies perform original songs and stories offering both poignant views and unbridled comedic commentary on the joys and dilemmas of everyday life. Some of their fans favorite hits include, "Viagra," "Boob Fairy," "Don't Mess With Me," "I'm Somebody's Mother," "Hot Flash," and, of course, "Oh No." There are approximately twelve new songs that will be heard at this show, including "American Women," "I'm an Introvert," "Elastic Waistbands," "These are the Things that Women Do," "Metric," "Long Lonesome Road," "Babesland," "We Must Help Them Along," "In My Dreams," and more!

With heavenly harmony, Debi, Deirdre, Sally and Nancy share struggles of balancing careers and family, chocolate obsessions with low carb inner-peace, CNN and TV land. The Boston Globe refers to these women as, "traveling Oprah Winfreys," and you'll experience them first-hand on stage at the Peabody Auditorium in Daytona Beach.
